Dear FaithBridge Family,

One of the critical parts of our strategy for personal, spiritual growth involves the development of our walk with God through daily Bible study and prayer. To help you along with this, we offer a variety of classes to encourage you in this area.

We provide an introduction to the tools you will need to CULTIVATE your walk with God in our 201-MATURITY class. This spring, that class will be taught on January 29 and again on April 22. The class is free and runs from 4-6 pm with childcare for those who register in advance. To register, visit the website and follow the links or call the Church Office at (904) 220-2727.

I hope you will take advantage of the opportunities provided to cultivate your own walk with God.

Blessings,  
Pastor Paul
