

"I AM A STUDENT IN YOUR MINISTRY"

Relationship with family.

Not to be afraid to make mistakes.

Stress from bullying, fighting, drama, etc.

Dear Lord, Please reach down here into my depression and pull me out of this place! I want to be hidden away in you, Lord, safe and satisfied. Please save me. I believe that you can.

The World!

Let me be patient and not let him hinder my relationship which is something I be doing for awhile.

My doubt, my lust.

Giving up!

REJECTION.

Help me to share to my friends.

Lust, Not following God's will.

Cursing & not being an example of You like I should.

Disappointment, anger, lack of trust.

Friends hating me for preaching Gods word in school.

Pride.

My brother who couldn't be here but I know how bad he wants to.

My brother, Papa, stupid little things, my parents, my friends who are lost.

Dear Lord, I have sin and I know that I can't do this by myself. Lord please bring Jesus into my life.

Judgment of who I was, not who I am.

I would like to have the courage to share God with other people like at school.

Please help me with my anger issues, to help me not get angry over little things that are nothing and Lord, help me be a better Christian, because I need it.

Pray that I can preach to the kids at school.

Being alone I will die.

Not to become stagnant!!! Continue to grow & love our youth. Not let them down.

No doubt, Forgive, Trust God.

I am scared of losing my family, not only in death but in faith as well. I'm scared that when their day comes, if they'll make it to heaven or not.

Peer Pressure from friends, I need Jesus.

Fear, Gossip, Judgment.

My mom and dad are getting divorced and they really need prayer, both of them.

Anger, Lust, Hate, Mouth.

Putting God First! Obeying mom. Taking "boyfriend" off throne!!!!

Dear Lord, I have sin and I know that I can't do this by myself. Lord please bring Jesus into my life.

My mother recently destroyed my family. Broke my heart and more importantly hurt my brother. Why is God doing this to him?

I fear that I won't have the boldness or courage to tell people about God but I want to.

I am scared of losing him.

Lustful thoughts, fear of rejection.

I just need help with respect; I've been disrespecting my mom. Help Me! Please.

Lying, parties, boyfriend.

Fear & Humility.

I pray for K & C. Help me to be bold (INITIALS ONLY TO PROTECT PERSONS).

Please make me strong in my walk.

Fear of being alone, sexual desire, depression, bad grades.

I am afraid that I am not serving him the right way.
